DENHOLM, Bill

I have lived in Karrakup for 49 years where my wife & I have raised our family. We operate a small business & I have volunteered with many school, community & sporting groups.

I seek your support for re-election to continue strong advocacy in the following areas

Better maintained roads, drainage & verges through improved asset management

Sustainable environmentally sound development that protects the character, lifestyle & history of our area

Cost effective, sustainable, accessible waste management

Cost efficiencies to provide much needed services & facilities

Protection of our natural reserves & public open spaces through planned fire mitigation and asset management

My commitment has always been, & will continue to be, open, honest, accountable & available to our community.
