Hi Pascal,

Thank you for your email regarding the carpark at Jarrahdale PS.

I will be on leave from the 1/3 returning the 12/3 therefore I will organise a letter to the Shire of Serpentine Jarrahdale when I return.

Kind Regards

Lorraine Daniels

Hi Lorraine

Thank you for the advice and the DoE acceptance to fund 50% of the carpark.

I acknowledge the email and DoE decision on behalf of the Shire and advise that the Shire will proceed with the construction of the car.

Could you please send a formal letter to the CEO of the Shire of Serpentine Jarrahdale advising that the DoE will enter into agreement with the Shire of Serpentine Jarrahdale for the construction of the car at a 50% funding agreement.

Regards

Pascal Balley

Importance: High

Hi Pascal,

As discussed the Department of Education have funds to contribute to 50% of the cost of this project. However, the works need to be completed and invoiced to the Department before the end of the financial year.

Can you please advise if this is possible.

Kind Regards

Lorraine Daniels

Hi Pascal,

Thank you for the concept plan and cost estimate.

As previously advised the Department of Education currently does not have funds to contribute to 50% of the cost of this project.

Should funds become available I will contact you.

Kind Regards

Lorraine Daniels

Morning Lorraine,

Following from your email dated 2/06/2017 and our phone correspondence, please find attached a concept design for the car park.

There is a potential for a total of 13 parking bays with improvement to the existing pram ramp and footpath. The estimated cost of the works is \$79,767.

The Shire will look at contributing 50% of the funding and the Department of Education 50%.

Regards

Pascal Balley
