"On the Beat" with, OIC - Mundijong Station –2019

Hello e'watchers

We have seen a slight rise in Burglary offences in the area during this period, this is inclusive of residential and commercial burglaries, such as homes under constructions and sheds. Leading into summer and the warmer months we seek that you stay vigilant and have your windows and security screens locked. If working outside lock your doors as opportunistic offenders can enter without your knowledge.

We have also had a significant rise in the number of Stealing offences occurring. This covers Retail Theft, Stealing from Motor Vehicles and Stealing from properties. Please secure your vehicles and remove any property that could be targeted by these thieves. We still receive reports of wallets, handbags, mobile phones and the like being stolen from vehicles.

Number plates are also being reported stolen more frequently, you can get anti-theft screws from retail outlets to reduce the risk.

If you see any suspicious behaviour please notify Police either by calling us direct, 131 444 or utilise Crime Stoppers.

Kind regards

Andy ALLISON, Acting OIC Mundijong Police Station
