

Application for Approval of Noise and Vibration Management Plan

Environmental Protection (Noise) Regulations 1997

AS2436:2010 Guide to noise and vibration control on construction, demolition and maintenance sites

The application and accompanying Noise Management Plan must be submitted to the Shire's Health Services **at least 7 days prior to the commencement of the proposed work**, and approved.

Applicant Name:		Phone:	
Contractor Name:		Phone:	
Contact Person:		Mobile:	
Mail Address:			Postcode
Email:			

Site Location Details

Property:	Lot No.	Volume	Folio	WAPC No.
Street & Suburb:			Nearest Road/s:	
Estate Name:			Stage No.	

Proposed Work Schedule

Dates:	From	to
Times:	From	to

I have attached the following in support of this application:

- A Noise Management Plan – including information as required by the attached “Requirements for Noise Management Plans”
- The application for approval fee, for assessment of the plan.

Signature: _____

Date: _____

PLEASE NOTE: SUBMITTING THIS APPLICATION DOES NOT AUTOMATICALLY RESULT IN AN APPROVAL

All Noise Management and Vibration Plans must include the following information:

1. Names and contact details (mobile phone number and email address) of the Developer, Site Manager, Supervisor, Engineer and Contractor;
2. Details of the proposed work including –
 - location of the proposed works;
 - purpose of the work and details of activities to be conducted as part of the works; and
 - details of the work schedule including dates, times and duration of the work;
3. Details of activities or equipment to be used that may result in noise and vibration emissions;
4. Predictions of potential noise emissions from the site;
5. Proposed methods of noise and vibration monitoring during the works;
6. Details of noise and vibration control measures to be implemented;
7. Complaint recording and response procedures, including a copy of the Notice to Residents.

Completed Noise Management Plans are to be submitted to the Shire of Serpentine Jarrahdale's Health Services Department for approval before construction work can commence.

For further information please contact Health Services.
