## What's your favourite tree? Vote for your favourite local tree species

We want to know which of our amazing native trees is your favourite and why. There's ten local candidates to choose from, including the classic jarrah and the delightfully named snottygobble. Cast your vote now!

## Find SJ's oldest tree

Measure local Jarrah and Marri trees for your chance to win a Australian Native Nursery \$15 voucher!

Get your walking shoes on and pick up a measuring tape - help us find the shire's widest and oldest native tree. Jarrah and marri trees are your best bet. Check out our festival webpage for handy guide if you're not sure how to tell which is which.

The 2026 WA Tree Festival is sponsored by the Government of Western Australia, with the support of WALGA and Perth NRM.
