<u>Community Safety and Crime Prevention Plan 2020-2022 (Progress Update)</u>

Feedback obtained from previous Community Safety Surveys was used in the preparation of the Shire's Community Safety and Crime Prevention Plan 2020-2022.

Resulting from information that was gathered six priority areas need to be addressed.

Detailed below are details of each of the six objectives identified and the progress to date:-

Objective 1. Promote Safe Driving
Outcomes
  (a) Keys for life initiative have been embraced by both Court Grammar and Byford Secondary College
  (b) Local residents and businesses have been encouraged to display "Slow Down Consider our Kids" bin stickers throughout the Shire of Serpentine Jarrahdale

Objective 2. Promote Safer Communities
Outcomes
  (a) Ewatch subscribers list has been increased by 100
  (b) Shire of Serpentine Jarrahdale participation and partnering in joint crime prevention projects with Community Safety Officers from the Cities of Armadale, Canning, South Perth, Gosnells, Belmont and the Town of Victoria Park and WA Police Community Engagement employees.

Objective 3. Support Families, Children and Young People
Outcomes
  (a) Promotion of key early years and parenting group activities including Play in the Park, Circle of Friends and the establishment of an Interagency Network

Objective 4. Address Alcohol and other Drug Misuse
Outcomes
  (a) Grant received from WA Police to conduct Side-Effects Drug Education Program to local secondary school students
  (b) Quarterly meetings held with Youth Officers and local agencies and school staff

Objective 5. Promote Safe Physical Environments
Outcomes
  (a) The Shire continues to work with developers and business owners to encourage the inclusion of CPTED principles

Objective 6. Educate Families and Local Stakeholders about Bush Fire Risk
