COALES, Rob

I have been your strong independent voice on council for the past 5 years as a North Ward Councillor. I have been a strong and passionate voice for lower rates increased transparency and sensible spending.

With over 20 years' experience in law enforcement, security and defence I know how to keep our community safe. I served Australia overseas with the Army, graduated from the Australian Army Command and Staff College and I am a current serving Police Officer.

I believe that councillors work **FOR** the community and should always put the needs of the residents and ratepayers first.

I want to increase community consultation in Shire activities and improve transparency on Council because local government should be relevant, responsive and responsible.

Vote Rob Coales to fight for you.
