"On the Beat" with, Act OIC Allison Mundijong Station August 2020

Hello e'watchers

Welcome to the August edition

In the new financial year, we are maintaining an overall reduction in crime. We have a committed team at the station who serve the community well, but we still need the ongoing support from the community and encourage you to remain vigilant and report any criminal activity and any suspicious behaviour to help us. This can be done via the station, 131 444, Crime Stoppers or online reporting.

The Queen's Birthday Long Weekend is on our doorstep and I ask that everyone pays attention and drives safely on the roads. A friendly reminder as to the increased penalties for mobile phone usage, use an approved hands-free system, let a passenger hold onto it or put the phone away so you are not tempted by it.

We all continue to face difficult times during the COVID-19 pandemic so please stay safe and look after each other. There are many support services that can assist, September 10 is R U OK? Day so start a conversation if you need help or think others may.

On a personal note, my time at Mundijong is at an end and I will be leaving for another posting. Thank you to all that have helped me over the journey, I hope I have helped the community as a whole as well as individuals.

Kind regards

Acting OIC Andy Allison Mundijong Police Station
