## BYAS, Morgan

Over the past 4 years on Council I've worked hard to deliver for our community including:

- Secured commitments from State & Federal Governments to upgrade Thomas Road, including fixing the Nicholson and Kargotich intersections with work to commence 2021-22.
- Opening the Watkins Road Transfer Station and funding a Tip Shop this financial year.
- Engage our equestrian community to develop the first SJ Equestrian Strategy.

But there's still a lot to do. We have major infrastructure projects to deliver such as the Byford Health Hub and Keirnan Park Recreation Precinct. I want to see these project delivered right, on time and on budget.

Living here, raising a young family, I want us to build a community that we can be proud to pass to the next generation. With your support I know we can achieve it.
