HAWKINS, Sandra

As a resident of the SJ Shire I have seen many changes. These changes show me that my focus will be on the Equine Fraternity, Rural Residents and bringing a Halt to Spiraling Rates. My life has revolved around volunteer organizations, currently I serve as Secretary for the SJ Lions Club, Neighbourhood Watch & Residents Association. Mental health & assisting the Aged are of prime importance to me.

My business experience has always been connected with the Equine Industry including breaking in & driving Pacers, Horse Transport & rehoming Racehorses. I feel that the shires direction should always be towards its residents and their needs. Speaking from qualified experience gives me a strong voice to speak on your behalf. I will serve with Honesty Openness & Integrity if I become a Councillor.
