ON THE BEAT

December 2025 Update

with OIC Senior Sergeant Peta Jones

During this festive period, I'd like to remind everyone that if you're planning to host a party or celebration, you can register your event with the police. This helps ensure your gathering remains safe and under control.

Please visit Hosting responsible parties web link for more information:

[Hosting responsible parties | Western Australian Government](#)

The roads will be busier as people travel and socialise. Police will be conducting random breath tests, monitoring speed, and enforcing other traffic laws. Road policing will increase during this time, and don't forget—double demerits apply from Friday 19 December 2025 – Sunday 4 January 2026.

And as this is the December issue, I would like to take this opportunity to wish the Serpentine Jarrahdale community a Merry Christmas and a Happy New Year from myself and all the Officers here.

Please stay safe and take care of yourself and those around you this holiday season—whether you're travelling to your destination or enjoying time with family or friends at home.

Growing a safer community, together

Home Holiday Watch Program

The Shire's FREE Holiday Watch Patrol Service allows SJ residents heading out of town to register their properties to be checked regularly by Rangers while they are away for short term holidays. Designed to increase community safety, Ranger check-ups will consist of a simple drive-by to evaluate the property. Rangers will NOT access properties during check-ups. If anything appears suspicious during the check-up or differs from the description the homeowner provides when registering their property, Rangers will contact the homeowner's nominated emergency contact or keyholder.

Rangers will aim to patrol each property once within every 24 to 48 hours.

This free service is not a substitute for appropriate security measures and the Shire will not be responsible for any loss or damage to properties using this service. [Register here](#)

CCTV Subsidy Program

The Shires CCTV Subsidy Program is well underway with over half of the funding allocation already being taken up by residents! If you have been considering installing CCTV in your home, be sure to check out this program and see how you can receive a subsidy of up to \$500 towards the cost. Eligible residents and businesses can receive a one-off payment of up to \$300 for DIY installations or up to \$500 for professionally installed security systems. Participants in the subsidy program may use the funds to upgrade an existing CCTV system, provided they meet certain technical requirements. For more information visit the Shire website.

WA Seniors WA Safety Rebate (for eligible card holders)

WA Seniors Card holders may also be eligible for a rebate on certain security items (this is not through the Shire and more information can be found [here](#))

Snake Awareness

Whilst Shire Rangers and Operations team do not attend to snake removal requests, you can find details of local snake catchers [here](#).

You can also find information on snake bite first aid [here](#).

If you find a snake, do not approach or aggravate it in any way. Most bites occur when people accidentally step on snakes, or while attempting to kill them.

If you find a snake in a garden or a house, contact the below local snake handlers.

Support services directory now available for download

The Shire has developed a directory of local and national support services for the community including those experiencing hardships.

We have some amazing local support services listed as the first points of contact to help you in any way they can.

This is available to download on our website, or you may pick up a hard copy from the Shire Offices in Mundijong.

Get involved in Neighbourhood Watch in 2026

Our dedicated team of volunteers are out and about in your community throughout the year and there are plenty of opportunities for you to get involved and help build a safer connected community.

Come along to a free community BBQ where you can relax and unwind with conversations, connection and the opportunity to meet your own neighbours. If you can't make it along to one of our Neighbourhood Watch BBQs you could consider applying for a Friendly Neighbourhood grant through the Shire and host your own street BBQ.

If its information and resources on how to make your home safer, how to report crime and to whom, then visit a Neighbourhood Watch pop up stall at one of the many major Shire events, or at the SJ Farmers market on the 4th Saturday of every month!

Free antitheft screws

Fourth Saturday of each month you can find Neighbourhood Watch at the SJ Farmers Market with info and free antitheft screws!

Neighbourhood Watch FREE BBQ SERIES 4-6PM
