ON THE BEAT

November 2025 Update

with OIC Senior Sergeant Peta Jones

As Christmas approaches, many community members are ordering items online for delivery. Unfortunately, we've seen an increase in thefts, with some individuals taking packages from front doors. To help prevent this, consider using 24/7 parcel lockers if you won't be home during delivery times, or arrange for someone you trust to receive the package on your behalf.

Our team is actively working to identify those responsible and has successfully charged two individuals who were following delivery vans and stealing packages.

We continue to seek the community's support in identifying suspects that commit these crimes.

During the festive season, please also remember to drive safely, avoid drinking and driving, and show respect on the roads. Let's all enjoy Christmas together responsibly.

Community Safety Month Wrap Up

The wonderful Neighbourhood Watch volunteers kicked off their free BBQ series, bringing the community together to connect with local safety and emergency teams. We teamed up with Money Mentors Financial Counselling for a financial empowerment workshop, joined HikeWest and the Jarrahdale Heritage Society for a beautiful World Mental Health Day bushwalk, and enjoyed a special story time with Mundijong Police. Plus, many took part in first aid training to learn vital lifesaving skills!

Thank you to everyone who joined in or supported these events.

Remember – our community safety initiatives run all year round, with eWatch newsletters, a CCTV Subsidy Program, anti-theft screws, and our Holiday Watch Program. You can find out more about these initiatives on our website www.sjshire.wa.gov.au/communitysafetymonth

Together, let's keep building a safer, stronger, and more connected community.

Bike Safety

Keep Your Bike Safe with Bikelinc

If you own a bike, make sure you register it through Bikelinc, a free service powered by Crime Stoppers. Registration involves recording your bike's serial number, which helps police and the community return it to you in the unfortunate event that it is stolen.

Bikelinc is also a handy tool when buying a second-hand bike, allowing you to check that it's not listed as stolen property. Visit bikelinc.com.au to register your bike today and help keep our community safer.

Bikelinc

POWERED BY
CRIME STOPPERS WA

Bikelinc connects you, your bike, police & the cycling community.

- Police can return your bike quickly and easily
- Help reduce bike theft
- Join a community of cycling enthusiasts
- Easily check if a bike for sale is registered as safe, lost or stolen
- Your personal information is secure and confidential
- Powered by Crime Stoppers WA, ACT, TAS & the community

Infringements for non compliance

Please note: legally speaking a bicycle is a vehicle, so all road laws that apply to vehicles apply to cyclists as well, unless they are expressly excluded.

Cyclists share the same rights and responsibilities as drivers and must obey the road rules. The following penalties apply to cyclists specifically.

Cyclist offences	Infringement
Not wearing a helmet	\$50
Failure to have at least one effective brake and working warning device	\$100
Failure to have correct lighting	\$100
Failure to ride only two abreast with up to 1.5m between riders.	\$50
Riding less than 2m behind a vehicle	\$100
Passing on the left of a vehicle that is turning left	\$100

Be Seen – Wear a Helmet – Lights and Reflectors – Ride to Conditions

Home Safety Audit Program

The Shire has recently introduced a Home Safety Audit, available via referrals from the District Police Office. This valuable service supports victims of crime by helping them feel more secure in their homes.

You can also take simple steps to protect your home and belongings: lock all doors and windows, remove hidden spare keys, install deadlocks, and use alarms or sensor lighting.

Keep valuables out of sight, secure tools and ladders, and avoid leaving packaging from new purchases outside, which can signal opportunities to thieves.

The Shire also offers a subsidy on residential and business CCTV installations up to \$500.

For extra peace of mind, download the WA Police Home Security Self Audit Checklist to evaluate your home's safety and make improvements where needed.

CCTV Subsidy Program 2025/2026

Eligible residents and businesses can receive a one-off payment of up to \$300 for DIY installations or up to \$500 for professionally installed security systems. Participants in the subsidy program may use the funds to upgrade an existing CCTV system, provided they meet certain technical requirements.

For more information visit the [Shire website](#).

Cam-Map WA

Have you heard of Cam-Map WA? One of the requirements for the CCTV Subsidy Program is to register your public facing camera to Cam-Map WA. This is done online via their website. Cam-Map WA is a database that is only accessible by WA Police. They do not have access to the cameras directly, only a list of locations where the cameras are. This helps police rapidly identify homes or businesses which could have CCTV footage to support investigations and respond more effectively to incidents as they arise.

Did you know?

Our Neighbourhood Watch volunteers have been busy out in the community bringing people together and sharing valuable resources from WA Police, SJ Community Safety, and Neighbourhood Watch WA. So far this year, they've been involved in:

- 9 Farmers Market stalls offering free crime prevention resources
- 10 FREE Community BBQs across a range of suburbs to connect with as many local residents as possible
- 5 Major community events engaging locals, tourists, families, and visitors
- 11 Monthly meetings with Mundijong Police to stay informed, raise community concerns, and work together on practical solutions

Their ongoing efforts help make our community safer, more connected, and better informed.
