Q1. How long will I waiting for the Shire to rectify the flooding problem affecting my property?

A1. Flooding in Harris Place is an ongoing issue. There is a design completed for the drainage problem in the area. We are awaiting the preparation of an Easement Deed to enable the Shire to access the land to make the necessary rectifications.

Q2. How are you going to put in a pipe without affecting my property?

A2. The Shire cannot enter private property. The pipe that requires replacing exists on adjacent land, which can only be accessed under an Easement Deed. Once the legal agreement is in place, the Shire can undertake the required works.

Q3. Were there issues with the landholder whose property the pipe will be replaced on?

A3. Yes.
