

Record of Conversation between Acting Manager Emergency and Jason White (Captain) and Deb Jones (Brigade Secretary) from Mundijong Volunteer Bushfire Brigade

In discussion with Brigade Captain, Jason White (04/12/2019) and Deb Jones, Brigade Executive Member and Brigade Secretary (05/12/2019), the Brigade meeting for 03 December was postponed due to fire response operations.

From the discussions, advice was received and interpreted that the Brigade Executive and Brigade support the concept of a CESM being appointed.

All avenues to train, mentor and provide career progression for future considerations of a Volunteer CBFCO with local knowledge, and a local Volunteer background should be consideration during the search and appointment process for a CESM.

The Brigade will provide a written report from the next meeting with formal support and considerations for the position and appointment of the person.
