CANBERRA ITINERARY

19 – 21 November 2024

			<p>growth area MPs, and industry stakeholders.</p> <p>The research is focused on developing effective funding models for Australia's growth areas. These models will offer valuable insights to policymakers on how to collaborate with local government to support the delivery of new housing, close the infrastructure gap, and alleviate cost of living pressures for millions of Australians living in fast-growing outer cities and suburbs. Following this event, we invite Mayors, CEOs and GMs to attend a Special Member Briefing with key government and opposition ministers. At the conclusion of the briefing, members are invited to join us for lunch and an advocacy workshop at Old Parliament House</p>	
	3:00pm – 3:30pm	Meeting with Danielle Condon – Adviser to Hon Kristy McBain MP	Minister for Regional Development, Local Government and Territories	Queen's Terrace Café
