Dear Mr Martin,

It is with deep regret I wish to advise that all the members of the Serpentine Jarrahdale Lions Club have voted unanimously to cancel this years Log Chop.

The reasons being many but the main one is that is has become to difficult to manage under all the restrictions due to Covid 19.

However we duly request that the funding be held over to the following year 2023 sincerely hoping that things may be made a lot easier then.

I know that many people will be extremely disappointed and we feel for them.

Kind regards Sandra Hawkins
