Hi Steven

Great to talk to you earlier this morning, and congratulations again on the funding announcement. It will be great to see this project come to life after the many years of planning and design work.

As mentioned, DoT will be managing this project and will do so via our Perth Bike Network program which the Shire would be familiar with. Francois Sauzier (cc'd) will be the day to day project contact from DoT.

In terms of cash flows, we've got \$2m in 2020-21 and \$1m in 2021-22. Next steps will be to work through the project milestones based on an updated project plan from the Shire so if you could send that through at the earliest convenience, we can then meet and work through the details for the Grant Agreement Contract.

Thanks  
 Sarah
