

Local Government	Treatment ID	Treatment Type	Treatment Objective	Treatment Area (ha)	Treatment Length (km)	Date Scheduled	Primary Asset ID	Primary Asset Name	Asset Category	Asset Sub Category	(Priority) Risk Rating	Estimated Treatment Cost	Other Funding Details	Photos Attached - Y/N	Comments
Serpentine-Jarrahdale	11772	Mechanical Works	Forestry mulch invasive species of wattle to dramatically reduce the bushfire risk to the neighbouring properties.	3.01	0.78	01/04/2023	SJSRP0068	1/2 Buttergum Close	Human Settlement	Residential	1A	\$29,800.00			
Serpentine-Jarrahdale	11871	Planned Burning	To reduce & remove all the watsonia & the fuel loads to under 4 tonnes per hectare by the use of low intensity hazard reduction burning prior to the 2022/23 South West bushfire season Follow up post burn chemical treatment to control watsonia and other weeds within the reserve to assist with fuel load reduction	8.60	2.23	01/04/2023	SIHPL0350	Elliott Road	Human Settlement	Residential	1A	\$10,000.00			
Serpentine-Jarrahdale	14303	Fire Access Road / Track(s)	4m wide regrading of existing limestone track	0.34	1.24	01/04/2023	SJBFD0314	Cnr Wungong South Road & Dalray Court	Human Settlement	Residential	2A	\$14,000.00			
Serpentine-Jarrahdale	14694	Firebreak(s)	Installation of Firebreak required to create separation zone between properties and reserve. Will assist with future hazard reduction burns & accessibility	0.00	0.36	01/04/2023	SIHPL0351	Elliott Road, Longridge Road & Walton Road	Human Settlement	Residential	1C	\$4,500.00			
Serpentine-Jarrahdale	14744	Mechanical Works	Mower mulch and slash woody weeds 5m from firebreak to create a safe buffer for the prescribed burn due to the steep and inaccessible terrain. To reduce fuels to 4 tonnes per hectare prior to the South West bushfire season	6.88	2.14	01/04/2023	SIHPL0350	Elliott Road	Human Settlement	Residential	1A	\$30,300.00			
Serpentine-Jarrahdale	14745	Planned Burning	To reduce the fuel loads to under 4 tonnes per hectare adjacent to the businesses off Butcher Road, Darling Downs by the use of low intensity hazard reduction burning prior to the 2022/23 South West bushfire season	2.20	0.71	01/04/2023	SJBFD0394	Lot 61 Butcher Road	Human Settlement	Residential	1A	\$4,010.00			
Serpentine-Jarrahdale	14746	Mechanical Works	To remove invasive and woody weeds too under 4tonnes per hectare using a mower mulcher and slasher prior to the 2022/23 South West bushfire season	3.02	0.86	01/04/2023	SJBFD0394	Lot 61 Butcher Road	Human Settlement	Residential	1A	\$15,000.00			
Serpentine-Jarrahdale	14747	Firebreak(s)	Installation of firebreaks to allow access for fire appliances. This treatment will go hand in hand with prescribed burning prior to the 2022/23 South West bushfire season	0.00	0.56	01/04/2023	SJBFD0314	Cnr Wungong South Road & Dalray Court	Human Settlement	Residential	2A	\$11,000.00			
Serpentine-Jarrahdale	15470	Chemical Works	To reduce the regrowth of fuel by the way of chemical Spray after the prescribe burn	3.89	1.83	01/04/2023	SIHPL0350	Elliott Road	Human Settlement	Residential	1A	\$10,000.00
