I live in Byford Central and my little kids are terrified of dogs, so they NEVER get to just go to the park that's literally around the corner. I'm pretty angry that some absolute moron decided that the ONLY park in Byford that has a playground, shade and toilets is a place where off lead dogs can go.

Q3 **Yes,**

Would you use additional off leash dog areas within the Shire?

Why?/Why not?:

The present off leash dog park is very small and there are too many irresponsible dog owners who do not pick up after their dogs and have no control over their dogs. Which ends up with dog fights. I don't want to get into my car to get to a dog park and find that it is overcrowded with people and dogs.

Q2**Multiple times a week**

How often do you use existing off leash dog exercise areas?

Q3**Yes,**

Would you use additional off leash dog areas within the Shire?

Why?/Why not?:

I exercise my dogs daily and would like to let them run free more often

Q4**Mundijong**

Where should additional off leash areas be located?
(Multiple boxes may be ticked if required)

Q5

Do you have any other feedback you would like to provide?

I currently use the Jarrahdale log chop grounds, which I see was not mentioned as a dog exercise area. The grounds were fenced just a few years ago and I use the grounds a couple of times each week. I appreciate very much the availability of this fenced facility. This is because I prefer not to have dogs off lead in bushland as there are issues with snakes and I do not want them learning to chase kangaroos. The Jarrahdale bushland is the alternative to the fenced grounds for me. So, on lead in bush and off lead in the fenced grounds, giving my dogs freedom to exercise fully each week. Having said that, I always carry a lead in case another dog owner, visiting the grounds, requests my dogs be put on lead. In terms of other areas, I would certainly take the opportunity to use designated dog exercise areas nearby in Serpentine, Mundijong and Cardup (unable to tick multiple boxes for item 4 above.)providing they are fully fenced.
