Dear Sir/Madam,

**THOMAS ROAD, OAKFORD 1842 (L2) 251900 - DEVELOPMENT APPLICATION - SIGNS X 2 - PA20/838**

In response to your correspondence received on 16 September 2020, Main Roads has no objection subject to the following condition being imposed:

Condition

1. The signage is to be located 28m from the cadastral boundary.

**Justification**

The land requirements over and above the existing Primary Regional Road reserve for Thomas Road duplication is being finalised.

2. The signage is to be frangible or assessed for crash risk in accordance with *Main Roads Supplement to Austroads Guide to Road Design Part 6: Roadside Design, Safety and Barriers*.

Should the Shire disagree with or resolve not to include as part of its conditional approval any of the above conditions or advice, Main Roads requests an opportunity to meet and discuss the application further, prior to a final determination being made.

Main Roads advises that it offers a free of charge pre-lodgement consultation service. Main Roads encourages both the Local Government in liaising with applicants to promote and capitalise on this free advisory service offered by the road authority prior to lodgement of strategic or statutory planning proposals, especially where development plans involve land adjacent to or have the potential to impact on the State road network. Further information on the pre-lodgement consultation process can be found on Main Roads website at [mainroads.wa.gov.au](http://mainroads.wa.gov.au) > Technical & Commercial > Planning & Development

Main Roads requests a copy of the Shire's final determination on this proposal to be sent to [planninginfo@mainroads.wa.gov.au](mailto:planninginfo@mainroads.wa.gov.au) quoting the file reference above.

Yours sincerely

Markus Botte  
**Manager Statutory Road Planning**
