Officer Comment

The Hopeland Community Hall was erected as a School in 1924. The building is on the Shire’s heritage inventory list.

The School closed in 1954 when the new Serpentine Primary School opened. The Hopeland Community Hall is now primarily used by the Hopeland Community Group for local community meeting. In 2021, eleven bookings have been received.

An assessment in the manner proposed by the Notice of Motion will need to consider the heritage implications of any repair and maintenance. This can be included in the report to Council, if Council was to resolve in the affirmative. Completing an assessment of the building is considered by Officers to be an appropriate approach to determine the condition, scope and budget for any upgrades Council may consider.

Voting Requirements: Simple Majority
