City of Armadale	<p>Thank you for your correspondence dated 2 April 2025 and the opportunity to provide comment regarding the proposed road naming.</p> <p>The proposed new road does not give addressing frontage to any properties within City of Armadale and does connect as a continual road name with any road reserves within City of Armadale.</p> <p>The City has no objections to the road naming, nor any comments regarding the proposed road names.</p> <p>Although a small portion of the cul-de-sac head sits over the boundary into the City of Armadale, it is also understood that the Shire of Serpentine Jarrahdale will be responsible for management of the cul-de-sac road.</p> <p>Therefore, it is appropriate for the Shire to name the road in consultation with Geographic Names, to assist the residents living in the Shire with appropriate new addresses.</p>	Noted. No further action required.
