[REDACTED] [REDACTED]	I'm currently a gym member of the YMCA Rec Centre and have been for approximately 8 years, the manager there has recently made a decision to ban children over the age of 6 in the creche during school term, including Saturdays due to one incident.
[REDACTED] [REDACTED]	No
[REDACTED] [REDACTED]	I would love to see some sports style programs run during school holidays for kids. Possibly at the rec center if that is an option or some thing you guys could look into.
[REDACTED] [REDACTED]	Just maintaining social sports in the area to keep people active and keep the sense of community alive! Eg: social netball at the Rec centre is perfect, and needs to stay around!
[REDACTED] [REDACTED]	Playgroups would be good for sahm and more toddler friendly playgrounds
[REDACTED] [REDACTED]	People need to take responsibility for their own health and seek out information as much as local councils need to provide it. Repeat program offerings seem to work better than one off info workshops or similar too.
[REDACTED] 8/29/2024 11:45 AM	I'd like to see more community events encouraging neighbourhood connections, and free workshops for young children and teens, focusing on healthy habits around food/cooking and social wellbeing
