

Planning for the *future*

Summary of activities

1 January to 31 March 2025

Advocacy 2025

Shire of Serpentine Jarrahdale

Advocacy 2025: Quarterly Report: 1 January to 31 March 2025

1. The projects

Hypergrowth Road Upgrades

Upgrades to roads, prioritised using crash data, current and future traffic volumes and classification, road condition and future growth and development in the area.

Commitments to date: \$17 million – WA Labor Party
 \$17 million – WA Liberal Party

SJ Community Recreation Centre: expansion of vital sporting facilities

The delivery of four compliant basketball courts, additional space for other court sports and the ability to develop competition level basketball. Additionally, increased gymnasium and fitness rooms and a crèche.

Commitments to date: \$10 million – WA Labor Party
 \$15 million – WA Liberal Party

BMX track relocation

Relocation of the BMX track to Keirnan Park and associated infrastructure.

Commitments to date: None

15 New Netball Courts and Pavilion at Keirnan Park

Delivery of additional multisport facilities at Keirnan Park, Mundijong.

Commitments to date: \$40.4 million – Nationals WA

Delivery of a High-Quality Tourism Facility

Development of Jarrahdale Trails Centre as a key tourism asset for the region.

Commitments to date: \$5 million – WA Labor Party

Delivery of upgraded fire station facilities

Vital upgrades to improve safety and hygiene for bush fire volunteers.

Commitments to date: \$500,000 – WA Liberal Party

2. Advocacy meetings/external events: attended by Shire President Rob Coales and CEO Paul Martin unless stated otherwise.

Date	Meeting	Topic
15 January	Karmil Nguyen - Advisor to Hon Clare O'Neil - Minister for Housing; Homelessness	Housing

Shire of Serpentine Jarrahdale

Published by Rike Rubrike

· 21 January at 16:00 · 🌐

👤 Exciting news for horse riders! 🐾

New horse trails are coming to Jarrahdale, paving the way for our town to become a Horse Trail Town and strengthening our region's potential as a nationally significant equestrian destination.

Together with the Department of Biodiversity, Conservation and Attractions (DBCA), the Shire is constructing two new trails in the rehabilitated forest of Langford Park:

5km easy trail – perfect for casual rides

25km endurance trail – for the more adventurous

We're pleased to have Three Chillies Design on board to create these incredible trails, with progress underway for this year's exciting launch! 🚲 🐾

Stay tuned for updates as we prepare to saddle up! 🐾

This project is made possible thanks to funding from the Federal Government.

Planning for the future

Support funding for our Rec Centre!

The Shire of Serpentine Jarrahdale is working to deliver the best possible infrastructure for our growing community.

The SJ Recreation Centre, located in the Shire's fastest growing suburb, Byford, is unable to keep up with demand, with many residents forced to leave the Shire to play basketball and other mainstream sports. In addition, the centre's courts are not to competition standard, and the building is in a rapidly decaying state.

Now you can get involved!

Show your support for government funding for the centre's redevelopment by signing our online form, and emailing your support directly to decision makers!

Scan the QR Code to find out how!

Libs start their election campaign with a \$2.4m SJ netball fix promise

By Mel Dorr

With the state election behind us, election promises for the federal election are starting to roll in, and the Serpentine Jarrahdale Netball Association looks to be the first winner.

Federal Member for Canning Andrew Hastie has announced that a Liberal Government will invest \$2.4 million to upgrade the Mundijong Netball Courts in the Shire of Serpentine Jarrahdale, if elected.

Mr Hastie said the project will provide local netballers, families, and volunteers with the infrastructure they need to stay active, safe, and connected for years to come.

"Sport brings our community together, and these upgrades are long overdue," he said.

"That's why I'm making a commitment to deliver better courts, improved lighting, upgraded facilities, and safer parking."

Currently, the courts are worn down, with unsafe playing surfaces and just two toilets available for female players and spectators.

With all four courts in constant use during the season, these much-needed upgrades will create a safer, more ac-

cessible environment for players of all ages.

The project will include re-surfacing of the courts, a canteen upgrade and enhanced lighting and parking.

President of the Serpentine Jarrahdale Netball Association Aleesha Denholm welcomed the commitment.

"The committee, parents, and players will breathe a sigh of relief, finally seeing something done to this facility. The players will be able to participate safely on new courts and see the hall at training with new lights," she said.

Shire of Serpentine Jarrahdale President Rob Coates said the announcement marked a significant milestone for the SJ community.

"These courts have long been in need of improvement. It is a testament to the dedication of the shire's players, both young and not-so-young, that they have continued to play the sport they love despite less-than-ideal conditions," he said.

"Encouraging active, healthy lifestyles and promoting sports participation is a priority for our community."

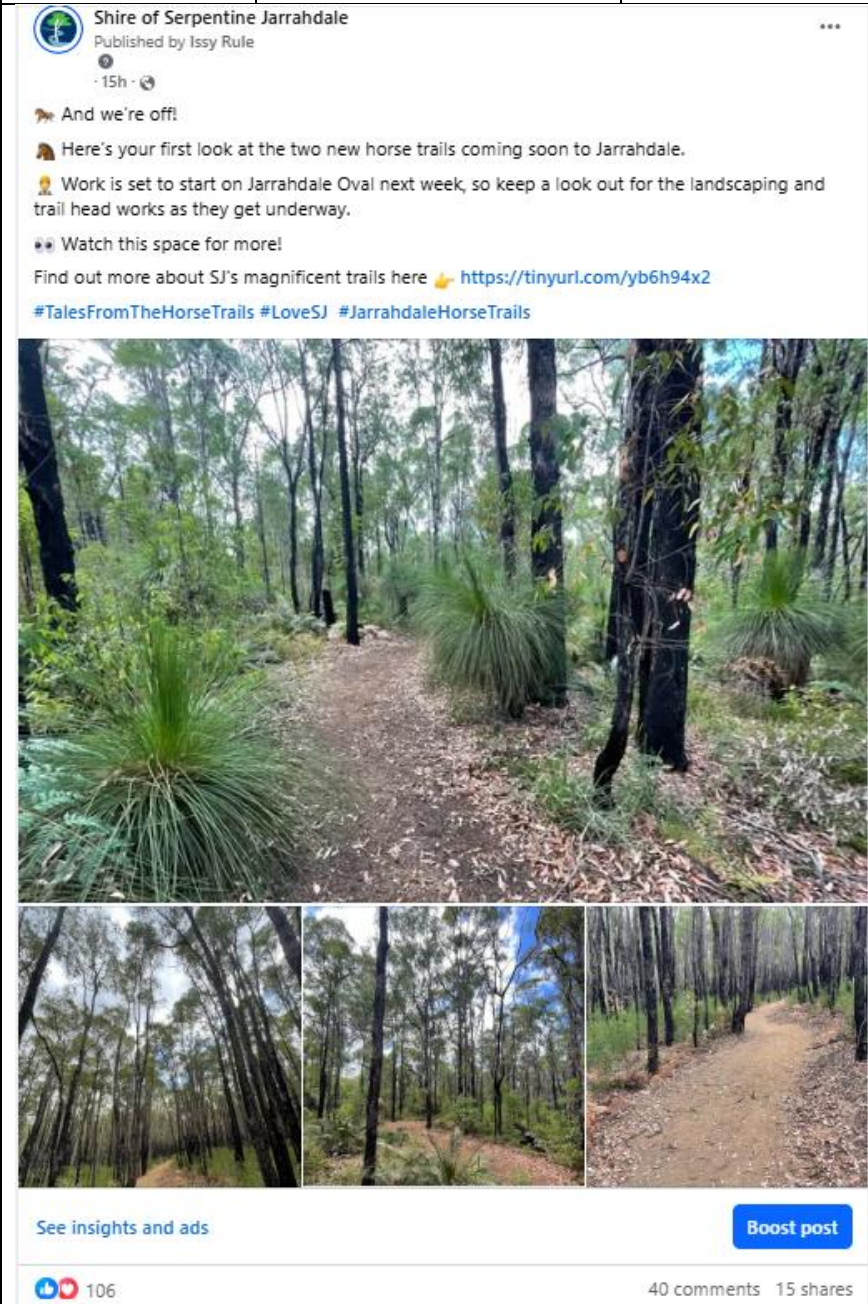

"It will create a more welcoming and supportive environment for our future star netballers, ensuring they have the facilities they deserve to thrive."

Association life member Bill Dunholm gives Mr Hastie a 'warts and all' tour of the current canteen. Photograph — Richard Polden.
