Dear Sir/ Madam

RE: ROAD NAME APPROVAL APPLICATION – LOT 8 (HSE 78) WARRINGTON ROAD, BYFORD – WAPC Ref: 156251

We would like to formally request road name approval for three new roads to be created as part of the development of Lot 8 Warrington Road, Byford and shown on the attached marked-up Control Location Plan (Drawing# 21727-03A).

As per the attached marked-up drawing, we (on behalf of our client 8 Warrington Road Pty Ltd), propose the following road names:

Road 1

Preferred name: Myrtle Way
Alternative name: Grevillia Way

Road 2

Preferred name: Acacia Way
Alternative name: Hovea Way

Road 3

Preferred name: Wandoo Road
Alternative name: Salmon Gum Road

The origin of the names comes from keeping with the local area them, they are not currently in use in the Shire and the road types are keeping within the same as the surround road types within the estate.

Therefore, could you please arrange for the Shire's approval of the proposed road names and then make application to Geographic Names Team at Landgate to obtain final road name approval.

We appreciate your assistance with this matter and look forward to receiving your response.

Yours sincerely
