Hi Shobair

I have requested a revised quote for this project on ORTON RD with the understanding of the impact the TONKIN HWY upgrades will have on what was originally proposed.

Once I have received the information we will advise you of the revised quote.

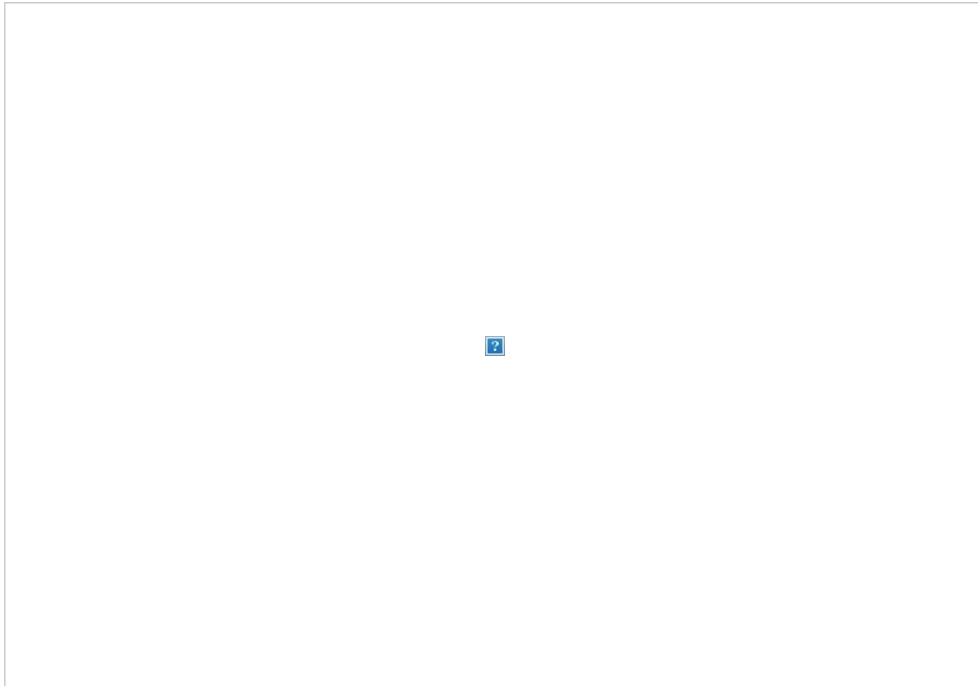

As you are aware I have another project for the Shire of Serpentine Jarrahdale on Orton Rd from Kargotich Rd to Hopkinson Rd and due to the Tonkin Hwy upgrades this will be impacted .

I have discussed this with their representative and the Shire would like to change the relocation works with the Tonkin Hwy upgrades in mind ,so they will relocate the network up to where the Tonkin Hwy upgrades stop on Orton Rd.

Am I able to provide the plan of the Tonkin Hwy upgrades to my contractors and Shire Rep so we know where to stop with the quote on Orton Rd back to Kargotich Rd

As per the plans below

Thank you

Regards,

Antonio Ziliotto

Hi Tony,

Hope you are doing well. Just a quick follow on Telstra quotation for Orton Road upgrade project. If you recall, we spoke over the phone on March 14th and discussed the Tonkin Hwy extension and how it relates to Orton Road. Our conversation has led to a reduction in Telstra's scope of works for the Orton Road project.

I look forward to hearing from you soon.

Kind regards,
