Hi Ryan

Further to my previous email below, please accept my apology that I haven't been able to respond sooner.

I have finally received a response to the Shire's enquiry about the location of the driveway to Lot 2 in relation to the South Western Highway/Dirk Road intersection from our Traffic Services Coordinator South East. She advised that since there is an insignificant number of vehicles using that driveway, we have no objections and no comments.

I trust this will help the Shire finalise their position on the proposal.

Regards
