Deemed Provisions – Cl 67 Matters to be considered by local Government Land Use:

a) The aims and provisions of this Scheme and any other local planning scheme operating within the area	YES	NO	N/A
	_		
Comment: The proposed development is considered to be general provisions of the Scheme. The proposal falls within the TPS2 defin which means:	•		
"Child Care Centre – means land and buildings used for the dain in accordance with the Child Welfare (Care Centres) Regulation not include a family care centre as defined by those regulation	ns, 1968 (a:	s amended)	) but does
The Child-Minding Centre' land use is a 'SA' land use in the 'Reside Council may, at its discretion, permit the use after notice of the accordance with Clause 64 of the Deemed Provisions."			
b) The requirements of orderly and proper planning including any proposed local planning scheme or amendment to this Scheme that has been advertised under the <i>Planning and Development</i> (Local Planning Schemes) Regulations 2015 or any other proposed planning instrument that the local government is seriously considering adopting of approving	YES	<b>NO</b> □	<b>N/A</b> □
Comment: The proposed development is considered to be genera Local Planning Scheme No.3 and the Local Planning Strategy. The under draft Local Planning Scheme No.3 (LPS3) will remain 'Urban would still fall under the land use of 'Child Care Premises' which is "means premises where —	zoning of t Developm	the subject ent'. The p	site
<ul> <li>(a) an education and care service as defined in the Educati Law (Western Australia) Section 5(1), other than a family that section, is provided; or</li> </ul>			
(b) a child care service as defined in the Child Care Services Ac	t 2007 sect	tion 4 is pro	vided".
c) any approved State planning policy	YES ⊠	NO □	N/A □

Comment: Planning Bulletin 72/2009 – Child Care Centres. The proposal is generally consistent with the provisions of the bulletin. The proposal is in close proximity to land identified for a future school site to the west and is located approximately 400m from the Byford Meadows Neighbourhood Centre Precinct within a medium density housing environment. It is serviced by Transperth bus routes on Eurythmic Boulevard west of Briggs Road which is within walking distance from the site. As discussed in the report the overall, the proposal is considered consistent with Planning Bulletin 72/2009.

Page 3 of 5 Ordinary Council Meeting - 19 June 2023 E23/6347

s) the adequacy of –  I. The proposed means of access to and egress from the	YES	NO	N/A
site; and			Ц
II. Arrangements for the loading, unloading, manoeuvring and parking of vehicles			
Comment: The proposed access arrangements are generally in ac	cordance w	ith the cur	rent and
future planning framework.			
t) the amount of traffic likely to be generated by the development,	YES	NO	N/A
particularly in relation to the capacity of the road system in the			
locality and the probable effect on traffic flow and safety		od troffic ar	novotion
Comment: A Traffic Impact Statement has been provided, which d and predicted volumes can be adequately accommodated on t		_	
proposed development will not increase the traffic volume on an	_		
by more than 100 vehicles per hour.	, , , , , , , , , , , , , , , , , , , ,		
u) the availability and adequacy for the development of the	YES	NO	N/A
following –			
I. Public transport services II. Public utility services			
III. Storage, management and collection of waste			
IV. Access for pedestrians and cyclists (including end of trip			
storage, toilet and shower facilities)  V. Access by older people and people with disability			
Comment: The proposed development is conveniently located. The	ne site is se	rviced by Ti	ansperth
bus routes on Eurythmic Boulevard west of Briggs Road, appro		-	-
distance from the site. There is a section of Briggs Road, that	is designa	ated as 'V	ery Poor
according to the 2023 asset data capture. Without a suitable upg			
Briggs Road will, in the opinion of Officers, be a risk exacerbated	-		
proposed by the development. Officers are of the opinion that to to comprise resurfacing, similar to the recent resurfacing of Brigg		-	
south of Larsen Road. Accordingly, a condition is recommended to			
to resurfacing of the road, based upon the following formula:			
A. Cost to resurface 160m section: \$120,000			
B. Number of child care centres proposed: Two			
C. Portion of traffic emanating south: 40%			
Formula to calculate financial contribution: (A/B) x C			
Upgrade contribution: \$24,000			
To address this aspect, a road upgrade is needed to enable the p	-	-	_
operate based on the expected traffic demands which show in the coming from the south. A financial contribution towards this,	•		
recommended to be conditioned.	baseu on a	generateu	tiailit, is
v) the potential loss of any community service or benefit resulting	YES	NO	N/A
from the development other than potential loss that may result from economic competition between new and existing businesses			
Comment:		1	

Page 4 of 5 Ordinary Council Meeting - 19 June 2023 E23/6347

w) the history of the site where the development is to be located	YES	NO	N/A
Comment: The history of the site has been detailed in the report.			
x) the impact of the development on the community as a whole	YES	NO	N/A
notwithstanding the impact of the development on particular individuals			
Comment: The proposed development is intended to provide for	child mindi	ing centre r	needs of
the direct community. The current situation pertaining to a lack o	f available	childcare p	laces,
measured as a portion of theoretical places available per child ha	s been disc	ussed in th	e main
report.			
•
