Overall Assessment outcome for this UoC			C
Summary of Assessment Outcomes Lauren, You have consistently demonstrated your knowledge of your role and responsibilities as a Council Member throughout each assessment task for the unit, Meet elected member responsibilities. This included the application of legislation and the Code of Conduct provisions. Your analysis of the CEO Performance review process and the Cr Stump case study was very well explained and confirmed your comprehension of the legislation and your knowledge of your responsibilities. Your answers to the knowledge assessment were very clearly articulated, providing sound evidence of your insight of the subject matter. Your resubmission of evidence further affirmed that you know how complaints are dealt with as they apply to the different breaches that were in the Cr Stump case study. Congratulations.			
If NYC: I have informed the candidate of the outcome and advised to re-enrol for this UoC.
