The proposal to rename these reserves, being the site of the previous Hopeland School and now Hopeland Community Association will be wholeheartedly supported by parents and students associated with the school over the 23 years that Mrs. Muller was Teacher in Charge. Over the years of her appointment Mrs. Muller enrolled 162 local children ,in addition she was President of the Hopeland P and C for 2 years. Mrs. Muller's dedication to the education and social development of her students has been reflected in the success of her students in their adult life. [.](#)
I commend this proposal to Council as a fitting recognition of Mrs. Muller's contribution to the Hopeland community.

Hi all,

I wish to lodge my full support for this proposal.

My father, brother and I were all taught by Mrs Muller at Hopeland School.

Mrs Muller was a wonderful teacher and a lovely lady who was highly respected in the community and it is only fitting that the Hopeland Reserves be named after her.

Good Work,

Thank you.

Hi all

Thank you for the opportunity to comment on such an excellent proposal.

I cannot imagine a more deserving recipient of this honor.

This lady was not only a very talented teacher but a wife to her husband who suffered from an early age with Parkinson's disease.

And the mother of three boys who lived and worked in the area.

She single handedly kept the school open and taught all classes from one to seven for an amazing amount of years.

She set up many students for further education included the four children in our family.

She was a kind and considerate lady who was well suited to her vocation.

"And she could peel an apple 🍏 with her knife every lunch time and the peel was always in one piece " She taught First Nations children who would attend from time to time with the upmost respect and help and showed her incredible flexibility.

It is a testament to her popularity that she is still held in such regard when the Hopeland 🏡 School holds periodic Anniversaries.

From my experience she has the respect of all her neighbors and students.

As far as I know she lived an exemplary life of service to her school and community.

My memories of my school life are full of work and achievements and a lot of fun.

I have no hesitation in recommending that you honor Mrs Muller in this way.

She has the respect of all her students and community and now is the time for this to be widened to the surrounding communities who may not know her achievements. However the Sports days would have highlighted the scope of her achievements for the surrounding schools.

Therefore with genuine appreciation for a life well lived and a career of achievement at a time when woman had to work very hard for any respect I have no hesitation in recommending that you honor Ivy Muller by naming the area suggested appropriately.

Thank you for taking the time to consider this email.

Kind regards

I was a student at Hopeland Primary School and I would like to support the naming of the reserves 19197 and 24162 as IvyMuller Reserve.

She was a wonderful teacher who gave her all and as students we were always encouraged to give our best to whatever we chose to do.

Mrs Muller deserves being recognised in this way.

Dear Shire,

I would like to make a comment of support in regard to the naming of the Ivy Muller Reserve at Hopeland.

Mrs. Muller taught my father and his siblings in the 1940's and 50's at Hopeland School. In the 1960's, I was lucky to have Mrs. Muller as my teacher for Grade 1 before she retired in December 1964.

Mrs. Muller was a well-respected lady in the Hopeland district and it is nice to see a reserve named after a woman of significance, therefore I wholeheartedly agree to see the reserve named in her honor at Hopeland.

Regards

Dear Mr Martin

I am writing in favour of
naming the old Hopeland school site "Ivy Muller
Reserve".

She was my much respected teacher for most
of my school days.

The hard working wife of a invalid husband (with
Parkinsons Disease) and three sons.

Ivy Muller earned the right to the recognition
of her service to the community over many years

Yours sincerely

Hi all

I am writing on behalf of my brother ([REDACTED]) and myself [REDACTED]. We spoke of Mrs Muller before he passed and we all agreed she was the best and growing up in Hopeland the best childhood ever. Mrs Muller was our teacher and she was the most amazing mother, teacher, community person. Naming this parcel of land would be honoring a wonderful person.

Proposal to name Ivy Muller Reserve

I support the naming of this reserve 19197 and 24162 (Lot 1 and Lot 1285)
"The Ivy Muller Reserve"

I admire Mrs Muller as a teacher of Grade 1 - 7, which I had for four years before going to High School. Some of my best years was at Hopeland School with many memories, hence I still go back for reunions.

Mrs Ivy Muller was an outstanding Teacher, Wife plus Family and Community in the Hopeland area.

Proposal to name Ivy Muller Reserve

I agree to the proposal that the Reserve 19197 at Lot 1 Hopeland Road in Hopeland, which has the old Hopeland School building on it, should be named the 'Ivy Muller Reserve'. I was a previous student of Mrs Ivy Muller between the years 1960 to 1964, and so too was my father [REDACTED] between the years 1935 to 1945.

However, I would like to make a suggestion that the Reserve 24162 at Lot 1285 Hopeland Road in Hopeland, at the site of the old playground, be named the 'Elliott Families Reserve'. This is to commemorate in honour of the Elliott families who lived and continue to live in the Hopeland and Keysbrook areas.

A brief overview of the Elliott families in the area:
