Petition to the Shire of Serpentine Jarrahdale President Councillor  
Michelle Rich

We the undersigned, as ratepayers of the above-mentioned Shire Petition the SJ Shire to construct a footpath along Adonis Street (linking Cockram street to Richardson Street, and along Richardson Street linking Adonis Street to Paterson Road.

We note that the SJ Shire has recently invested in a footpath along Cockram Street, and we thank you for this welcome addition to safer pedestrian access in our townsite!

To those residents living on Adonis Street and Richardson Street it is obvious that most vehicles travelling these routes do NOT do 50 km/h even though it is sign posted, nor do many vehicles make room for pedestrians.

As society we are learning more about the benefits of exercise and getting outside therefore, we believe a footpath on Adonis Street and Richardson Street is warranted and will provide the following benefits:

- Will allow pedestrians to travel safely along 2 very busy streets in town
- Will significantly reduce the risk of an accident or death occurring
- Would encourage more parents to allow their children to cycle/walk to school knowing there is a safe route to use,
- Will make it easier for those not so confident to go for a walk or the aged to get out and about
- Will provide another example to ratepayers that the SJ Shire takes active steps in ensuring the safety of their ratepayers is of a high priority and acts in a pro-active manner.

Thank you

Yours sincerely,

Your rate payers; the undersigned.
