Mr Paul Martin
Chief Executive Officer
Shire of Serpentine-Jarrahdale
6 Paterson Street
MUNDIJONG WA 6123

Dear Mr Martin,

2021 ELECTION COMMITMENTS:

- **Orton Road**
- **Soldiers Road**
- **Kargotich Road**

As you would be aware, the McGowan Government made a commitment during the recent State Election to provide funding to a number of projects on local government roads.

I am pleased to confirm the State Government's funding commitment to the following projects in the Shire of Serpentine-Jarrahdale.

- **Orton Road:** Upgrade a 6.3km section of Orton Road: with the State contribution of \$4.1 million.
- **Soldiers Road:** Improve a 6.9km section of Soldiers Road: with the State contribution of \$4.6 million.
- **Kargotich Road:** Enhance a 14.3km section of Kargotich Road: with the State contribution of \$9.3 million.

The State Government funding for each project is provided as a grant, capped at the value shown above (GST inclusive). It is expected that any savings will be returned to the State at the completion of each project.

It is expected that the Shire of Serpentine-Jarrahdale will be responsible for the design and delivery of these projects.

The installation of temporary signs for information is not required. However, should you choose to install any such temporary signage these must bear the State Government logo and acknowledge that the State Government is funding the project. Written approval to the design of any signs must be obtained from Main Roads.

Approved funding for each project will be recouped by the Council from Main Roads on receipt of invoices in accordance with the Metropolitan Regional Road Group method and in line with the State Road Funds to Local Government Procedures, as follows:

mainroads
WESTERN AUSTRALIA

- 40 per cent of Project Commitment – following advice of funding commitment.
- 40 per cent of Project Commitment – After incurred expenditure on the project has exceeded 40 per cent of the approved funding.
- 20 per cent of Project Commitment - Upon certification of satisfactory project completion of work.

Please contact Laura Alderslade on 9323 4985
(laura.alderslade@mainroads.wa.gov.au) to confirm the proposed arrangements and the dates upon which payment will be requested from Main Roads.

Yours faithfully,

A handwritten signature in blue ink, appearing to read "Peter Sewell", with a long horizontal flourish extending to the right.

Peter Sewell
DIRECTOR METROPOLITAN OPERATIONS
