*Special Council Meeting – 25 October 2021 – SCM061/10/21 - COUNCIL RESOLUTION
That Council move to next order of business.*

Background

At the Special Council Meeting on Monday, 25 October 2021 Council resolved to expand membership of the Audit, Risk and Governance Committee to four external members, made Councillor appointments to the group and deferred consideration of external members to a future meeting.

Community / Stakeholder Consultation

An expression of interest was issued in September 2021 and promoted on the Shire's website and the Examiner newspaper on 23 September 2021.

Statutory Environment

The powers and duties of audit committees are described in the Act and the *Local Government (Audit) Regulations 1996* (the Audit Regulations). The Audit, Risk and Governance Committee is also a committee of Council under s5.8 of the Act but does not have delegated power meaning that resolutions made by the committee do not have effect until they are formally resolved by Council.

Section 7.1A of the Act states that:

- (1) A local government is to establish an audit committee of 3 or more persons to exercise the powers and discharge the duties conferred on it.*
- (2) The members of the audit committee of a local government are to be appointed [by Absolute Majority] by the local government and at least 3 of the members, and the majority of the members, are to be council members.*
- (3) A CEO is not to be a member of an audit committee and may not nominate a person to be a member of an audit committee or have a person to represent the CEO as a member of an audit committee.*
- (4) An employee is not to be a member of an audit committee.*

Under section 5.100 of the *Local Government Act 1995* an external member may not be paid for their attendance at a Committee meeting. At the September 2021 Ordinary Council Meeting, Council resolved to adopt Council Policy 3.3.6 Reimbursement of external committee members. Under the policy, external committee members are to be reimbursed to the value set out in the policy for:

- childcare costs incurred by an external committee member because of the member's attendance at a meeting of a committee of which he or she is also a member.
- travel costs incurred by an external committee member because of the member's attendance at a meeting of a committee of which he or she is also a member.
- an expense incurred by an external committee member performing a function in his or her capacity as an external committee member.

Comment

Five responses were received during the expression of interest. The information supplied by each respondent is provided in **CONFIDENTIAL attachment 1** along with a summary prepared by Officers to inform Council in their decision-making.

This summary has been revised following the deferment of the appointment of external members at the 25 October 2021 Special Council Meeting.

As the appointment of external members involves the personal affairs of a person it is recommended that Council close the meeting pursuant to section 5.23(2)(b) of the Act prior to discussing the matter.

At the 25 October 2021 Ordinary Council Meeting, Council resolved to expand the membership of external members to four members. This approach was consistent with the Officer's recommendation at the time and ensured that the Committee had an odd-number of members and that in accordance with section 7.1A of the Act that the majority of the Committee's members are Councillors.

For the reasons detailed in **CONFIDENTIAL attachment 1**, Officers recommend that Council appoint three external members to the Committee at this time and request that an expression of interest for the fourth external member be conducted. While operating with eight members of a nine member committee is not considered to be optimal long-term, such an approach would enable the Audit, Risk and Governance Committee to perform its important functions on behalf of the Shire.

Amending the terms of reference to adjust the numbers of external members following Council's resolution at the 25 October 2021 Special Council Meeting is not recommended. Such a decision would likely constitute a revocation under Regulation 10 of the *Local Government (Administration) Regulations 1996* and require the written support of one-third of Council.

With the deferment of the decision to appoint external members to the Audit, Risk and Governance Committee, Officers also recommend that Council resolve to reschedule the Audit, Risk and Governance Committee scheduled for Monday, 1 November 2021 to Monday, 15 November 2021 at 5:30pm.

The rationale for this recommendation is to provide sufficient time for all Audit, Risk and Governance Committee members to read and review the Officer's reports to be presented at this meeting and for external members to receive information about their important role. If Council was to resolve in the affirmative, recommendations from the rescheduled Audit, Risk and Governance Committee meeting would be presented to the December 2021 Ordinary Council Meeting.

1. APPOINTS the following persons as external members of the Audit, Risk and Governance Committee:

4. RESOLVES to reschedule the Audit, Risk and Governance Committee meeting scheduled for Monday, 1 November 2021 at 5:30pm to Monday, 15 November 2021 at 5:30pm.

Option 1 is recommended.

Conclusion

Section 7.1A of the Act requires a local government to establish an audit committee of three or more persons. The CEO or employees are not permitted to be members of the audit committee. The Audit, Risk and Governance Committee provides an important role for the Shire in the areas of governance, financial management, risk and audit.
