Good morning Ken

This email is to acknowledge receipt of the Shire's ward and representation review – which was received on 3 February 2023 – thanks so much for sending that through.

We'll now compile a summary report of your review for the Local Government Advisory Board – and present it to the Board, for their consideration, and subsequent recommendation to the Minister.

We anticipate that the Board will be able to consider the Shire's review within the next month or so. Please note that we may need to get back to you for further information, clarification or advice, if required, during this time.

After that date, the Board's recommendation is then sent to the Minister for his decision.

We'll then be in contact with you to advise of the outcome – when we hear from the Minister's office.

We will then continue with administrative and statutory processes to obtain the Governor's approval and publish any approved changes in the Government Gazette. It is anticipated that these changes will be implemented at the 2023 local government elections.

Best regards

Strategy and Research Officer | Local Government Advisory Board
