### Objective

The objective of this Policy is to provide guidance on the processes in relation to the Chief Executive Officer's (CEO) performance review cycle in accordance with relevant legislation, the model standards and internal policies to ensure that they are based on the principles of fairness, integrity and impartiality.

The performance review processes are to:

- be objective and based on facts and evidence.

- support and facilitate CEO development.
- recognise achievement and support performance improvement

### Scope

Application of these processes include the planning, implementation, facilitation and reporting of all processes related to the CEO's performance review cycle including probation reviews, performance criteria setting, performance monitoring, annual performance and remuneration reviews.

Application of these processes is to be in conjunction with:

- The relevant legislation, including the Model Standards for CEO Recruitment, Performance and Termination Performance, and the Departmental Guidelines for Local Government CEO Recruitment and Selection, Performance Review and Termination, and all other relevant policies, procedures and processes of the Shire.
- The Salaries and Allowances Tribunal's (SAT) parameters and requirements for local government CEO Total Remuneration Packages, and all components of the CEOs remuneration.

### Process Program

#### CEO Employment Committee

The Council will appoint a CEO Employment Committee to facilitate the CEO's performance review processes on behalf of Council.

The CEO Employment Committee's administrative and accountability requirements are as documented in the Shire of Serpentine-Jarrahdale's CEO Employment Committee Terms of Reference.

The primary functions of the CEO Employment Committee are to:

- provide a recommendation on the engagement of an appropriately experienced independent consultant, for the purposes of assisting to conduct the performance process, in consultation with the CEO.
- facilitate the performance review process in accordance with this policy.
- provide a recommendation regarding the independent consultant performance appraisal report for consideration by Council.
- develop the performance agreement and performance criteria with the CEO for approval and mutual agreement with the CEO and Council.

### **Appointment of Consultant**

Council shall have due regard to the advice of the Committee and shall appoint a suitably qualified and experienced independent consultant to assist with the conduct of the performance review process in an independent and equitable fashion.

The independent consultant will have extensive experience in performance reviews of senior executives and preferably local government experience.

The independent consultant should not have any interest in, or relationship with, the Council or the CEO.

The role of the independent consultant will be to:

- develop performance criteria with the Committee and the CEO.
- facilitate the performance review processes including but not limited to:
- assist with planning of the processes.
- collect and collate performance evidence.
- facilitate meetings between the CEO, Committee and Council.
- assist with the provision of feedback to the CEO.
- provide an objective view regarding any performance management related matters between the Council, Committee and CEO.

Council employees may be involved in the CEO's performance review processes through agreement with the Shire President, CEO and Presiding Member, CEO Employment Committee. Council employees may be requested by Council to prepare agendas and take minutes.

### **CEO Performance Review Processes**

It is incumbent upon Elected Members and senior staff to actively participate and have input into the CEO Performance Review processes in accordance with the provisions of this policy.

The CEO and Council must mutually agree on the planned performance criteria in the CEO's Employment Contract. These should relate to the statutory functions of the CEO, performance

criteria relating to the themes, objectives and outcomes contained in the Shire's Council Plan and Corporate Business Plan and executive leadership behaviours.

All performance criteria must contain:

- the aspect of the CEO's role to which the criteria applies
- the indicator used to assess the performance
- the target to be achieved in order for the criteria to be met, and
- evidence used for determining whether the target is achieved.

The CEO's performance criteria will be made publicly available on the Shire's website alongside the relevant minutes of the meeting in accordance with legislative requirements.

Council is responsible for ensuring the CEO is provided with the appropriate resources and support to facilitate the achievement of the performance criteria.

If the CEO's anniversary date does not align with the financial year, then over a period of time agreed between Council and the CEO, the CEO's performance criteria review period (inclusive of remuneration review) will be transitioned to align with the financial year. To give effect to this alignment, Council and the CEO may agree to conduct a performance review(s) for a period of less than 12 months based on performance criteria to align them to the same duration of time.

The required steps relating to each of the processes related to the CEO's performance review cycle (i.e., probation reviews, performance criteria setting, performance monitoring, and annual performance and remuneration reviews) are detailed in the flowcharts contained in the addendum.
