

Statutory Declaration

I/We (Name)

Of Suburb

(Occupation) do solemnly and sincerely declare that:

1. I am the owner of Lot Street

Suburb at which location a house will be built as a permanent dwelling.

2. I have applied to the Shire of Serpentine Jarrahdale for permission to live in temporary accommodation (a caravan within a shed) on the land whilst the dwelling is being erected. I will cease to occupy this temporary accommodation and live in the house when it is complete.
3. I understand the Shire may grant approval for me to live in the temporary accommodation for a period of six (6) months commencing on the date on which a building licence issued for the dwelling. I will cease to live in the temporary accommodation at the end of that six months unless I am granted an extension of time (up to a further six months) in which to complete the dwelling.
4. I understand that no extension will be granted unless considerable progress has been made towards completion of the dwelling
5. I will not occupy the temporary accommodation until a building licence for the dwelling is issued and not until the ablution facilities and effluent disposal system is installed and approved.
6. I am aware that it is on the basis of the above declarations that this Shire may grant approval to occupy temporary accommodation and that in the event that I occupy the temporary accommodation otherwise than in accordance with the terms of the approval then I may be prosecuted by the Shire and that this statement I have made in the Statutory Declaration may be tendered in evidence.
